Message and Aylmer Shrine Club Events

Well it has been a very busy summer for the Aylmer Shrine Club. Cruise nights have been a huge success with the weather cooperating for the most part. I would like to thank all the members that have donated their time to making it very enjoyable for the cruisers that come out. I have had lots of positive feedback from the people that have attended.

Please keep in mind that the Couples or Mixed fish fry is coming up quickly on October 1 at Pleasant Valley Golf Course, it would be great to see a full house and also we will be doing the silent auction again this year so any donations for auction items would be greatly appreciated. The parade group has also had a busy summer with getting the new trailer ready to go for the upcoming Christmas Parade season as finishing off the Decals make that trailer an awesome display and something that every member of the Aylmer Shrine Club should be very proud of. We have also had a few members that have had a tough summer with health issues, I would like to wish them a speedy recovery and also let them know that they are in our thoughts and prayers. I look forward to seeing a good turnout of members at our next general meeting.

Cheers!!!!

Noble Jeff Smith

President of Aylmer Shrine Club

Events
